Dear Mr. Miller,

Thank you for Scipio's generous donation of \$1,500 to U.S. Embassy Rangoon's official Independence Day celebration on July 2. Your contribution underwrote the food, beverages, decorations, and other elements that directly contributed to what was a very successful, indeed historic event.

As you may have noticed, we placed Scipio's logo on a large banner in recognition of your donation. We are deeply grateful for your generosity and look forward to working closely with you in the coming year as you continue to look at long-term opportunities for Scipio in Burma.

Sincerely,

Derek J. Mitchell
